

## Application Information to Exhibit at LCA Barnes Gallery

---

The Barnes Gallery in Leverett Arts & Crafts (LCA) is pleased to invite applications for exhibitions during the upcoming season. LCA offers area artists and craftspeople a public space in which to exhibit their work, with a mission to be a community center for making and sharing art. Collectively, the exhibits aim to reflect a variety of media, styles, cultural viewpoints, and levels of artistic expression. Individuals or groups in Leverett and surrounding towns may submit applications.

The Barnes Gallery is on the first floor of LCA, with handicap access, and offers a rectangular space of 30'x35'. There is also additional space in an adjoining hallway gallery which is 10'x46'. Artists should familiarize themselves with the features and limitations of the gallery space before submitting an application. The Gallery provides hardware for hanging wall works, which must be suitably framed and wired. Nine pedestals are available for small 3-dimensional work. Artists are responsible for installing and taking down their shows and for sharing/posting their show announcements, via postcards and email. Typically the LCA provides postcards and signage for 2 months of exhibits at a time. A member of the LCA Gallery Committee will be assigned to you, to inform you about publicizing and setting up your show.

### How Exhibits are Selected

The LCA Gallery Committee, composed of LCA studio holders, local artists and art supporters, reviews applications several times each year. Application forms are available at the LCA or online. At times you may be offered a joint show with another artist, although typically we offer solo exhibitions. For joint shows, the Committee tries to choose applicants who are artistically compatible.

### Exhibition Application Requirements

Your application should include the following items:

1. A completed and printed **Application to Exhibit Form** (following page)
2. A CD or zip/thumb drive with high quality images of your work. The number of images to submit is as follows:
  - Single applicant: 10 images
  - Two persons: 8 images each
  - Group submissions: 20-25 images proportionately divided.
3. A brief, typed description of the work to be shown
4. A brief, typed biographical paragraph (whatever you care to say about yourself).  
A more formal résumé could also be included, in desired. *The quality of your application materials influences your chances of being considered for a show. Please keep this in mind as you prepare your application.*
